ISURU SAMEERA KUMARASIRI

SENIOR FRONT END DEVELOPER

I'm Senior Front-end developer with 9 years of experience. Currently I'm working at Intellect Choice. Recently I have worked for Australian IT company called Bizfab/Hellopeople as a Senior Front-end developer.

OBJECTIVES

To obtain a position with a progressive Front end development or Web Development company with a strong focus on creativity and problem solving. To find a position that is challenging and rewarding and provides an opportunity to enhance my knowledge, capabilities and abilities according to the client's requirement.

EMPLOYMENT HISTORY

LEAD WEB ENGINEER
Intellect Choice IT Solutions
2021 – PRESENT

I have developed and designed web apps and web sites according to given mockup design. Those designs are more user friendly and attractive designs according to client requirement.
Here I have developed some of the web sites and web applications

- https://52015.backpocket.ca/backpocket/ (Progressive web app)
